## beTax Advisory & Compliance Services S.à r.l. joins Russell Bedford International in Luxembourg

*Russell Bedford International welcomes beTax Advisory & Compliance Services S.à r.l., known as beTACS, to its global network in Luxembourg.*

Russell Bedford International is pleased to announce the addition of beTax to its global network.

beTax is a fully independent Luxembourg Qualified Chartered Accountant firm, delivering quality services in both direct and indirect taxation. The firm's core offerings include corporate tax compliance and VAT compliance for Luxembourg-resident companies, along with tax advisory services related to corporate and VAT filings.

With two partners and a dedicated team, beTax supports clients ranging from real estate and private equity funds with a substantial presence in Luxembourg, to commercial and industrial companies based in Luxembourg.

"We are delighted to welcome beTax to our network in Luxembourg", said Stephen Hamlet, CEO of Russell Bedford International. "Their experienced and client-focused team further strengthens our network in Europe and complements our existing presence in Luxembourg."

Martine Wagner and Steve Becker, partners at beTax, commented: "We are delighted to join the Russell Bedford International network. This partnership strengthens our global reach and enables us to deliver even greater value to our clients through international collaboration and expertise. We look forward to working closely with fellow member firms and contributing to the network's continued success."

## Managers & Young Partners Conference 2025

The Russell Bedford International Managers & Young Partners Conference 2025 in Hamburg, Germany was a huge success.

The conference kicked off with a welcome dinner at Block Brau with traditional German cuisine and artisanal beer. It was a wonderful opportunity for delegates to connect, learn more about each other and experience the benefits of being part of a global network.

Day one began with introductions and ice breakers, followed by an update from CEO Stephen Hamlet on the Russell Bedford International network and discussions around the new Centre of Excellence for Young Professionals. The programme continued with a focus on clients: understanding the client lifecycle and the importance of strong relationships built on trust, as well as encouraging loyal clients to advocate for our firms.

To conclude the day, delegates enjoyed the delights of the Hamburg Christmas market before their festive dining experience at Alster Lagune with beautiful views across the water.

Day two continued with insightful sessions on project management for accountants and the ever-challenging question of how to retain talent in these competitive times. Delegates enjoyed the additional networking opportunities and gained practical insights to take back to their firms.

Reflecting on the event, CEO Stephen Hamlet said "It's been another remarkable Managers & Young Partners Conference, full of energy and positivity. Investing in the next generation is so important for the future of the profession and it's encouraging to see our firms' commitment towards developing their young professionals, giving them the chance to experience what it truly means to be part of a global network. The focus towards enhancing their professional skillsets, ensuring they are equipped to tackle the challenges of tomorrow, will certainly help drive the future success of our teams across the world."

A huge thank you goes out to our delegates, speakers and everyone who contributed to making this year's event a success.

## Visiting Belgrade, Serbia

A few weeks ago, Stephen Hamlet, CEO of Russell Bedford International, visited the network's firm Russell Bedford DIJ D.O.O. in Belgrade, Serbia.

This year, Russell Bedford DIJ celebrate their 20th anniversary and hosted a wonderful celebration across their team.

For the network's CEO, this was a fantastic opportunity to learn more about the firm – a successful audit company with a strong focus on quality and continuous growth. It also provided great insight into the country's financial and economic climate.

Later in the day, the firm kindly treated Stephen to a guided tour around the fortress with a deeper dive into Serbia's history.

With exquisite food, drink and immense hospitality, the trip to Belgrade was a memorable experience.

Stephen commented "It's amazing to see the great work of our colleagues in Serbia. This visit provided a wonderful opportunity to connect with the team and learn more about their past successes along with the current challenges being faced. I hope to visit again and continue to strengthen our ties with businesses in the region."

## Russell Bedford International Sponsors Cheerleading Squad

*Russell Bedford International Sponsors Cheerleading Squad in UCA All Star National Championship 2026.*

As part of *taking you further* day 2025, Russell Bedford International is pleased to announce its support for local UK cheerleading club Sapphire Elite's 'Spellbound' Cheer Squad as they prepare to compete at the UCA All Star National Championship in Florida, USA in March 2026.

Cheerleading is one of the fastest-growing sports in the world — combining gymnastics, acrobatics, jumps, and dance into high-energy routines that are full of skill, teamwork, and sparkle. It is a sport that captures the spirit of dedication, collaboration, and determination — values we proudly share at Russell Bedford.

Over the years, Sapphire Elite has gone from strength to strength, competing at regional, national, and international levels. Their passionate coaches and supportive community inspire athletes to reach their goals — both on and off the mat.

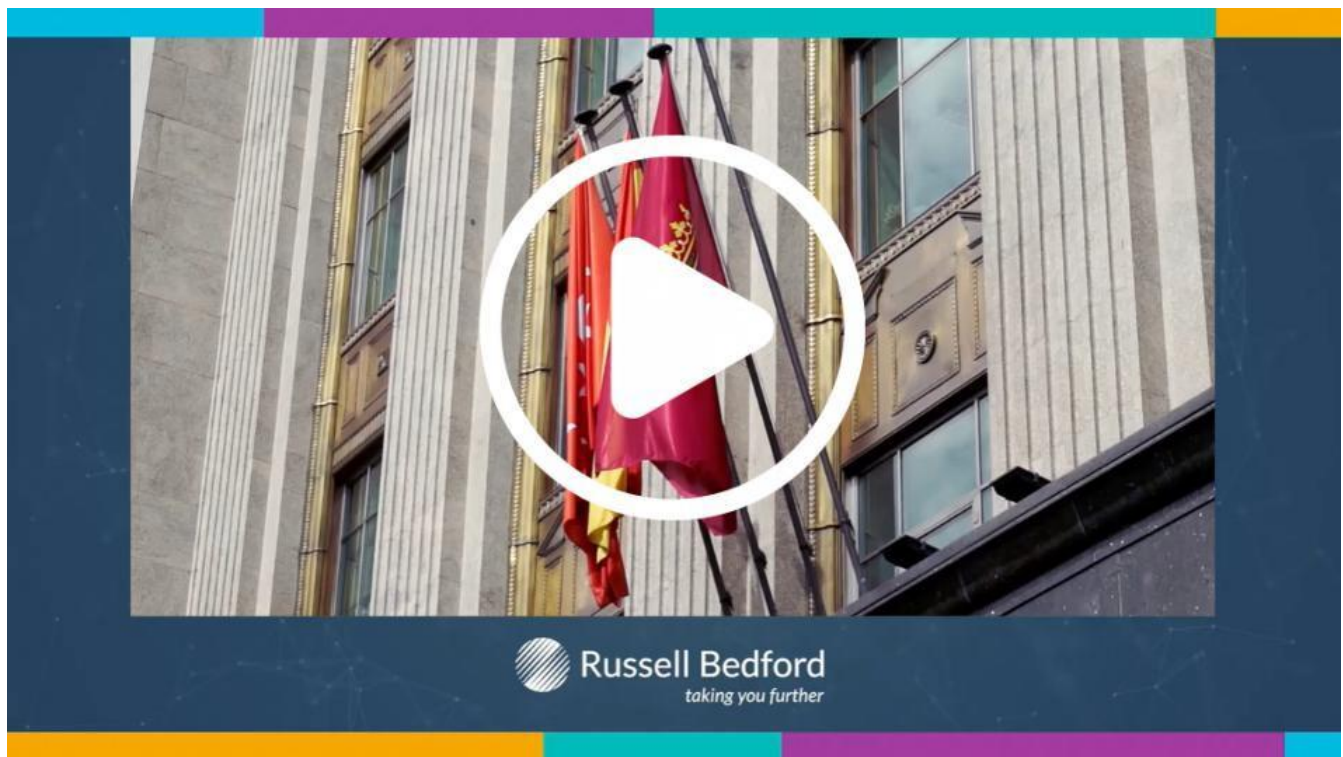

Following their recent success in June at the Varsity Europe Summer All-Level Championship in Düsseldorf where they took home silver, they are now setting their sights on an exciting new chapter as they head to the USA stage.

The daughter of Russell Bedford's central office colleague, Gemma Benson has been a committed member of the club since 2016 and will be part of the team representing Sapphire Elite in Florida.

We are therefore proud to stand behind her team which embodies excellence, teamwork, and ambition - and we cannot wait to cheer them on as they represent their country at the 2026 championships!

Good luck, Sapphire Elite!
